

YOREBRIDGE HOUSE

We are delighted to announce that, for the fifth year in a row, we have been awarded the AA Notable Wine List, one of only 173 establishments to hold such an accolade in the UK this year.

Our wine list is a bespoke collection of luxurious and individual wines, echoing the romantic sense of travel that can be seen throughout the hotel, inspired by owners David and Charlotte Reilly.

The array of wines selected is designed to complement and enhance the imaginative cuisine created by our award winning kitchen team, who select only the best, seasonal produce from local suppliers.

In 2019 we introduced a Coravin which allows us to offer our guests a taste of some of our more luxurious wines from the cellar, you can see our recommendations [here](#).

All members of the team share our passion for wine and would be happy to help you in the decision making process.

Look out for our favorites along the way!
